

SEXUALLY TRANSMITTED INFECTIONS FOUNDATION COURSE 2020

WHAT

From BASHH (British Association for Sexual Health & HIV) www.stif.org.uk

The aim of the course is to equip participants with the basic knowledge, skills and attitudes for the effective management of sexually transmitted infections (STIs) outside the GUM setting e.g. GPs, practice nurses, GP/O&G/CMT trainees

This is a multi-disciplinary course and applications are invited from health care professionals who may encounter patients with STIs

WHEN

MONDAY 4 MAY 2020 – “CORE” £150

TUESDAY 5 MAY 2020 – “PLUS” £150

(£275 for both days)
